A Message From The Mayor

Hello Dumont Residents!

It is my honor to serve as Mayor of the Borough of Dumont. As I have done in my years of service on the Council, I will continue to put my best efforts towards serving all the residents of the Borough.

Dumont has so much to offer our residents. We have some of the best schools in the State of New Jersey and offer our young residents a great sports program through our recreation commission. Various groups throughout the Borough offer social programming, like scouting, that teaches life training for children. We have an involved group of volunteers to beautify the Borough, a very active senior center with many daily and weekly activities, and a social support network to assist those that need it.

Volunteers are the backbone of our community. I would like to thank all the enthusiastic volunteers who spend considerable time serving on the boards, committees, and commissions to make our community a great place to live.

Thank you to those that serve others in need. The houses of worship throughout the Borough and the many local charitable organizations provide relief and a true service to others when they need a helping hand.

When there is an emergency, our dedicated Police Department, Fire Department and Ambulance Corps are always there to help the residents in their time of need. Remember if you have an emergency DIAL 911!

Our DPW keeps the Borough in tip-top shape; cleaning our parks, collecting leaves, decorating the Borough for holidays and special events, and plowing the snow off our roads... they make the Borough look great at all times of the year.

This calendar will identify all the important dates and events for the Borough at your fingertips for the upcoming year. It also lists the phone numbers and emails contacts for the departments in the Borough. Our Borough Hall staff work everyday to keep everything running smoothly, please reach out to them if you need anything from the Borough.

Wishing you a Joyful Holiday Season and a Happy New Year!

GOD Bless You All, and GOD Bless America!

SOLUTIONS TO STORMWATER POLLUTION

Easy Things You Can Do Every Day To Protect Our Water

As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.

Limit your use of fertilizers and pesticides

- Do a soil test to see if you need a fertilizer
- Do not apply fertilizer if heavy rain is predicted
- Look into alternatives for pesticides
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizer and pesticides, follow the instructions on the label on how to correctly apply it.

Properly use and dispose of hazardous products

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.
