EXPLANATORY STATEMENT - (Continued) BUDGET MESSAGE

1. General

To the Residents of the Borough of Dumont:

The 2017 Budget submitted herewith reflects the amount necessary for the support of the Municipal Operations.

Comparison of Tax Rates

At this time the Governing Body is unable to project with any accuracy the overall tax rate for the community. Both school and County tax requirements have not yet been finalized. The Mayor and Council has only the authority to approve the "Local Municipal Budget". Based on the proposed budget, the average home currently assessed at \$307,000, will increase \$77 for the municipal tax portion of the tax bill.

The table below is a comparison of the projected 2017 municipal tax rate/dollars and the actual 2016 tax rate/dollars.

II. Appropriations "CAP"

This year the Mayor and Council was confronted with a limit placed on Municipal expenditures. That limit is referred to as the "CAP" and provides that in the preparation of its annual budget a municipality shall limit any increase to the "Cost of Living Adjustment" ("COLA") or the index rate whichever is less, over the previous years final appropriation. A municipality may in any year in which the COLA is less than or equal to .5%, increase its allowable inside the "CAP" spending to 3.5% upon passage of a COLA rate ordinance. The governing body intends on adopting a COLA ordinance in order to increase the "CAP" to 3.5%.

Chapter 68, Public Laws of 1976 (see revised and amended by P.L. 2004, C. 74) places limits on municipal expenditures commonly referred to as the "CAP", which is actually calculated by a method established by the Law.

The actual calculation is somewhat complex, but in general it works as follows: Starting with the 2016 Budget for Total General Appropriations, the following figures are deducted; Reserve for Uncollected Taxes, Debt Service, Capital Improvements, Emergency Authorizations and State or Federal Aid. This gives you the basic "CAP" or the the increase in appropriations over the 2016 Total General Appropriations.

In addition to the increase allowed above, other increases are allowed

- o increases funded by the added valuation from new construction and improvements
- o amounts approved by referendum.
- o amounts available from prior year "CAP" banks
