

FREE STREAM MONITORING TRAINING EVENT!

Conducted by the NJ Watershed Ambassador Program in cooperation with Teaneck Creek Conservancy

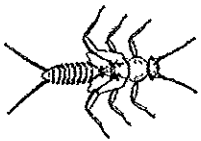

Have you ever wondered how our streams and rivers are monitored?

Well, now you can learn!

Become a volunteer monitor by learning how to perform visual and biological stream assessments.

Learn how "water bugs" can tell you the health of your stream.

Come with your family and friends and get your feet wet!

Great for:

- Kids ages 10 and up (parental supervision required)
- Environmental Commission members
- Teachers and Scout leaders
- Streamside property owners
- Concerned citizens
